

March 29, 2017

Dear Readers,

The archives section of our website is undergoing renovation. Currently, you can access previous versions of our archives at the following links:

- [Fall 2010-Spring 2012 \(Note: Missing Spring 2010, Spring 2011\)](#)
- [Spring 2009-Fall 2010 \(Partial\)](#)
- [Remaining Part of Fall 2010](#)
- [Spring 1999-Fall 2007](#)

Articles from the March 25, 2011 issue onwards are searchable in the non-archive portion of our website.

The full *TSL* archives dating back to 1889 are available through [Special Collections at the Honnold/Mudd Library](#). Additionally, we maintain an incomplete archive at our office (Room 101, Walker Hall, Pomona College). If you'd like to look through it (whether for research or just for personal curiosity), feel free to stop by sometime when we are open (such as our office hours from 7-9pm on Tuesdays), or email editor@tsl.pomona.edu to set up an appointment.

We hope to bring you an expanded online archive in the future and appreciate your patience in the meantime.

Sincerely,

Samuel Breslow
TSL Development Associate
